Main Passage: John 1:3

### 1) Jesus Christ, the Divine Word Created Everything

[Heb. 1:1-3; Col. 1:15-20; 1 Cor. 8:6]

- The primacy of creation is from God, the Father, and the agency of creation is through His Son, Jesus Christ; As God true God, He is Creator who spoke everything into being by the word of His power.

A. Although your words do not have creative power like God's, our words should be purposeful and God-glorifying. How do you need to be more careful with and mindful of your words? \_\_\_\_\_

B. The Bible speaks a lot about the importance of the use of our tongue and the consequences of careless words. List some scriptures that help us have a Biblical understanding regarding godly speech vs. ungodly speech. \_\_\_\_\_

### 2) Creator, Not Created

[John 3:16, 18; Micah 5:2; John 1:14; Col. 1:15, 18]

Monogenes- only begotten | an eternal relationship between the Father and the Son, as He was sent by the Father

Prototokos- firstborn | not first in chronological order, but first in importance and preeminence

- By inappropriately focusing on English translations alone as well as embracing other heretical doctrines, cults such as Mormonism and Jehovah's Witnesses teach that Jesus was created, which nullifies their profession that He is eternal. We must learn to pay attention to the original Greek language to better interpret and understand Biblical truth about who Jesus is.

C. What are the theological implications of believing Jesus was a created being? \_\_\_\_\_

### 3) The Creator Condescended to Carry a Cross

[Phil. 2:6,9]

- Our great and glorious Creator King humbled Himself by leaving His throne to lay His life down for rebels who would call upon His name as Lord in repentance and faith.

D. What area of your life do you need to submit to Christ more intentionally and confess His Lordship in your life more purposefully? \_\_\_\_\_

#### 4) Creationism is Intellectually Credible

- As creationists, we have a theistic worldview that believes God is the primary cause of all physical matter. Something has never come from nothing. Natural laws have come from a Law-Maker, our Creator God. There is no purpose, no affections, no beauty, and no hope in a materialist's worldview. We must acknowledge that information comes from intelligence; thus, God is the Divine Designer and Intelligence between all of creation.

a. **Creationism is rational**

b. **Materialism's absurdity**

c. **Evolution's Inadequacy**

E. Many who grew up in the public school system in America were taught about Evolutionary Theory as the standard explanation for the existence of living organisms. How did this education impact your understanding and belief that God is the Creator of everything? \_\_\_\_\_

F. How prepared are you to defend Creationism and the deity of Jesus Christ? \_\_\_\_\_
